

# PURPOSE of COVID-19 ADVISORY COMMITTEE

**Support district leaders responsible for managing a safe and healthy learning environment for all students:**

- Provide guidance and advice to district staff as they organize a safe reopening and operation of schools
- Serve as a community voice and perspective to reopen our schools and consider contingencies and needs related to student learning, health, and wellbeing
- Provide feedback to district staff as the Remote Learning Plan and supports for student learning are refined
- Advocate for necessary resources required to reopen school
